Task 3

Read the following text about Tom, 13, one of Britain's best young surfers. Your task is to decide if the information in the sentences after the text are true (T), false (F) or we do not know (DK) because the text does not say. Write the correct letter in the white box after the sentence. There is one example *(0)* for you.

Tom's just won the Under 15 Quicksilver Grommit series - and here he reports on how he did it.

"I've been surfing for over three years now. I got into it through my family. My two brothers, dad and mum all love going down to the beach. I started entering competitions about a year ago. I watched a couple of contests I wasn't in, saw the standard, and thought I'd give it a go. I won third place in my first competition!

I surf pretty much every day, including winter. But when it's really cold I wear a wet suit, hat, gloves and boots. Luckily Newquay's not the coldest place to surf - in Scotland you have to dress like that in the summer too!

You don't always need big waves to surf. You have to learn how to surf in different conditions. The waves in this contest weren't that good, and that makes it a lot harder.

I'd like to make surfing a career, I think, as long as it doesn't get in the way of my school work.

If you want to get into surfing the best thing to do is go down to the beach and get to a surf school. Once you've got all the gear it's free to practice, but it's a bit expensive to start off with.

One thing I don't like is that sometimes there's pollution in the sea - it can make you ill and you have to stay out of the water for a couple of weeks.

But during the summer holidays I'll probably be surfing all day.

Then I'm off to France to enter a contest down there. It'll be the first time I've surfed abroad and I'm really looking forward to it."

0) *Tom came first in his last competition.* ***T***

14) He started surfing a year ago.

15) There are three boys in his family.

16) He won his first competition.

17) He doesn't surf in winter.

18) He doesn't like very big waves.

19) Big waves are always important for surfing.

20) In summer he starts surfing very early.

21) He has never surfed abroad.

Task 4

Read the text about Valentine's Day and the sentences (22 to 27) following the text. Each sentence describes one word in the text. Your task is to find the word and write it on the line after the sentence. Write only <u>one</u> word on each line. There is one example *(0)* for you.

The holiday of Valentine's Day probably has its origins in the ancient Roman feast of *Lupercalia*. In the early days of Rome, fierce wolves lived in the woods nearby. The Romans called upon one of their gods, Lupercus, to keep the wolves away. A holiday in honor of Lupercus was celebrated on February 15th. The holiday was celebrated as a spring festival. Their calendar was different at that time, with February falling in early springtime.

One of the customs of the young people was *name-drawing.* On the day before the festival of Lupercalia the names of Roman girls were written on slips of paper and placed into jars. Each young man got a slip from the jar. The girl whose name was chosen was to be his sweetheart for the year.

Legend says that the holiday became Valentine's Day after a priest named Valentine. Valentine was a priest in Rome at the time Christianity was a new religion. The Emperor at that time, Claudius II, ordered the Roman soldiers NOT to marry or become engaged. Claudius believed that as married men, his soldiers would want to stay home with their families rather than fight his wars. Valentine didn't obey the Emperor's order and secretly married the young couples. He was finally arrested, imprisoned, and put to death. Valentine was killed on February 14th, the eve of the Roman holiday *Lupercalia*. After his death, Valentine was named a saint. As Rome became more Christian, the priests moved the spring holiday from the 15th of February to the 14th - Valentine's Day. Now it became a holiday of Saint Valentine instead of Lupercus.

0) *Probably this nation celebrated the Holiday of Valentine's Day first.* ___*Romans*____

22) The season when Valentine's day was first celebrated. _____

23) Animals that lived in the forest near Rome. _____

24) Containers where the pieces of paper were put. _____

25) They were not allowed to get married or get engaged. _____

26) This person died and became a saint. _____

27) The holiday was moved from this day. _____
